The Dallas Police Department Joins 'Neighbors' by Ring

The Dallas Police Department today announced that it is joining the free Neighbors app by Ring to provide the Dallas community with real-time, local crime, and safety information. The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.

Residents can text 'Dallaspd' to 555888 from their smartphone to download the Neighbors app for free on iOS and Android and use the app to; join their neighborhood, share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from their neighbors, local law enforcement and the Ring team.

"The Dallas Police Department is excited to partner with Neighbors by Ring. This collaboration will allow us to work with residents in keeping our neighborhoods safe to those who live, work, and play in Dallas." Major Elaine Page, Dallas Police Department

Jamie Siminoff, Chief Inventor and Founder of Ring, said: "We're excited to have the Dallas Police Department join Neighbors to keep their community up-to-date on local crime and safety information. Over the past few years we have learned that, when neighbors, the Ring team and law enforcement all work together, we can create safer communities."
