

## RESIDENT SHIELD APARTMENT MANAGERS

### 2026 MEETINGS

Apartment managers that are aware of crime and have an onsite **RESIDENT SHIELD** in place before a crime happens may reap tremendous benefits. Insurance providers, attorneys and marketing professionals have discussed benefits such as:

- Lower insurance risks and costs.
- Increased marketability of the community.
- Maximized benefits for law enforcement through resident education programs.
- Higher economic returns through a stabilized resident base.
- Increased cooperative relationships through resident education programs.

The goal for 2026 will be that all apartment managers will have a RESIDENT SHIELD certificate with their name on it hanging in the office of which they work.

Ch. 27-44 of City Ordinance dictates that all multitenant property shall attend at least four crime watch meetings each calendar year.

**Location: Lake Highland Recreation Center: 9940 White Rock Trail, Dallas, TX 75238**
