The Dallas Police Department strictly forbids biased policing, including profiling, based on an individual's protected status (race, ethnicity, national origin, religion, age, gender, gender identity/expression, sexual orientation, disability, or any other legally protected status).

In accordance with Article 2.134 of the Texas Code of Criminal Procedure, traffic contact information collected this year is compiled, analyzed, and submitted to the governing body of the City of Dallas and the Texas Commission on Law Enforcement no later than March 1 of the following year.

Listed data includes both warnings and citations. Future goals include developing a dynamic dashboard with the included data.
