Update on Child Predator Cases

Detectives assigned to the Dallas Police Department's Child Exploitation Unit have completed the interviews related to the case involving David Rodriguez, L/M/ 5/4/72, (Service # 63512B and 61866B). As a result of the interviews, Suspect Rodriguez will be charged with a total of 2 counts of Unlawful Restraint which is a State Jail Felony.

Based on the investigation detectives believe that there may be additional victims from offenses that that have gone unreported. Therefore, we are releasing the suspect's photo and asking that if anyone has information related to any possible offense involving this suspect they contact detectives at 214 671 4299 or 214 671 4211.

We will also be working with Northwest Patrol Division to assist in canvassing the apartment complex where the latest offense occurred to determine if there are any unreported offenses.
