Safer Dallas Better Dallas: Community Engagement

On Thursday, April 28th, at the Dallas Police Department's Jack Evans Headquarters, Safer Dallas Executive Board Members will announce their campaign to help purchase Standard 40mm Single Launcher guns. These guns have less than lethal ammunition and would be a great addition to our Department.

Safer Dallas Better Dallas will also announce their partnership with the Northeast Patrol Division with the Community Engagement Initiative. Also, a check will be presented for the launch of the 2nd Annual "Let's Talk" Youth Engagement Program. There will be remarks by Dallas District Attorney Susan Hawk and Dallas Police Chief David O. Brown.

The mission of *Safer Dallas Better Dallas* is to protect residents from becoming victims of crime and to engage them in a partnership with the Dallas Police Department, to support the efforts of Dallas police officers, and to make Dallas America's safest big city.
